Sir, md93-16-2

With reference to your letter No. 3135-Med. dated 20th November 1916, requiring me to submit proposals, with plan and estimates, for the construction of quarters for the Resident Medical Officer of the ~~Victoria~~ Minto Ophthalmic Hospital, in or near the compound of the institution, I have the honor to state the Chief Engineer and myself inspected the grounds and the neighbourhood of the hospital in company with the Honorary President of the City Municipal Council on Saturday the 17th instant and we came to the unanimous conclusion that it is undesirable to put up any new building between the Hospital and the compound wall towards the east of it as the space is already cramped. We agree that the best site will be the one within the Fort, which lies opposite to the old powder magazine on the otherside of the Albert Victor Road and is said to belong to Rajakarya Pravina, Rao Bahadur Mr. A. Rangaswami Iyengar, from whom it has to be acquired. Plan and estimates for the building have been called for from the Chief Engineer and will be forwarded on receipt. In the meanwhile I request that the Honorary President, City Municipal Council may kindly be requested to ascertain the cost of acquisition of the site.

I have the honor to be, Sir,

OFFICE OF THE PRESIDENT,
MUNICIPAL COUNCIL,

No 356
Rec 1 Valuation Sht.
Encl 23/6/17 1 Sketch.

BANGALORE CITY, DATED.....31-3-....1917.
2-6-17

FROM

DEWAN BAHADUR RAJA SABHA BHUSHANA
K. P. PUTTANNA CHETTY, ESQ.,
Honorary President, Municipal Council,
Bangalore City.

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
General ~~and Revenue~~ Departments,
Bangalore.

SIR,

R 3 in file With reference to your letter No.5835/Mad.93-16-3 dated 9th March 1917, calling for a report as to whether the Bungalow of Rajakarya Pravina Rao Bahadur A. Rangaswamiengar, situated on the West Rampart Road in Fort, can be acquired and at what cost, for the requirements of the Minto Ophthalmic Hospital, I have the honor to state that the value of the building and grounds is estimated at Rs. 12,097-15-6 as per detail valuation statement herewith sent.

2. Except a few out-houses at the South-eastern corner of the compound the remaining buildings are quite in a habitable condition. The out-houses just behind the main building are in very good condition and perhaps need no alteration. The main building though in fairly good condition, has a low basement and consequently not quite suited for the Permanent quarters of the Medical Officer. The total extent of the site is 4789.3 square yards or nearly an acre as per plan enclosed. The compound walls are fairly good.

3.

3. In my report submitted with my D.O. letter No. 618 dated the 19th May 1916 to Government, regarding the features of Fort worth preserving, I have recommended in para. (11) that all private properties in Fort to the West of the Fort Centre Road should be acquired and the area utilised for erecting public buildings. In Government Order No.6096-100/ G.M. 299-15-5 dated the 15th November 1916, my recommendations were approved. The building, in question, being situated within this area, I do not see any objection to its acquisition for a public purpose.

I have the honor to be,

Sir,

Your most obedient servant,

Honorary President.
